Nothing in these Terms creates an agency, partnership, or joint venture. Failure to enforce any provision will not constitute a waiver of that provision.

DISPUTE RESOLUTION

Section 22

PLEASE READ THIS SECTION CAREFULLY AS IT AFFECTS YOUR RIGHTS

Most user concerns can be resolved quickly and to Your satisfaction by emailing ReviveHealth support at info@revive.health. In the unlikely event that our support team is unable to resolve a complaint You may have (or if ReviveHealth has not been able to resolve a dispute it has with You after attempting to do so informally), including but not limited to any alleged breach of these Terms, You and ReviveHealth agree to resolve the dispute through binding arbitration in the State of Florida before a single arbitrator, in accordance with the rules and procedures of the American Arbitration Association and the laws of the State of Delaware. Arbitration, which is often less expensive, faster, and less formal than a lawsuit in court, uses a neutral arbitrator instead of a judge or jury. Arbitrators can award the same damages and

relief that a court can award, and may, but do not have to, award legal fees, arbitrator's fees and costs and other costs incurred by the party that does not win the dispute.

Any arbitration under these Terms will take place on an individual basis; class arbitrations and class actions are not permitted. Any arbitration will be strictly confidential and neither party will disclose to any person (other than necessary to carry out the arbitration) the existence of the dispute or any aspect of the dispute.

This agreement to arbitrate will not preclude You or Revive from seeking provisional remedies in aid of arbitration, including without limitation orders to stay a court action, compel arbitration or confirm an arbitral award, from a court of competent jurisdiction. Furthermore, this agreement to arbitrate will not preclude You or Revive from applying to a court of competent jurisdiction for a temporary restraining order, preliminary injunction, or other interim or conservatory relief, as necessary. THE PROPER VENUE FOR ANY ACTION PERMITTED UNDER THIS SUBSECTION REGARDING "EQUITABLE RELIEF" WILL BE THE FEDERAL AND STATE COURTS LOCATED IN DELAWARE; THE PARTIES HEREBY WAIVE ANY OBJECTION TO THE VENUE AND PERSONAL JURISDICTION OF SUCH COURTS.

What is Our Cookie Policy?

Cookies are small files that a web server sends to your computer or device when you visit a web site that uses cookies to keep track of your activity on that site. They hold a small amount of data specific to that web site, which can later be used to help remember information you enter into the site (like your email or other contact info), preferences selected, and movement within the site. If you return to the previously visited web site (and your browser has cookies enabled), the web browser sends the small file to the web server, which tells it what activity you engaged in the last time you used the site, and the server can use the cookie to do things like expedite logging in and retrieving user data and keeping your browser session secure.

We use cookies and other technologies to, among other things, better serve you with more tailored information, and to facilitate efficient and secure access to the Platform. We only use essential cookies. Essential cookies are those necessary for use to provide services to you. We have provided, below, a full list of our cookies, categorized as described above. We have described the purpose of each, whether they are Revive or Third-Party cookies, and how to withdraw consent to their use. We have also indicated which cookies are “session cookies” (which last for as long as you keep your browser open) and “persistent cookies” (which remain on your hard drive until you delete them, or they expire).

We may also collect information using pixel tags, web beacons, clear GIFs, or other similar technologies. These may be used in connection with some Site pages and HTML formatted email messages to, among other things, track the actions of Site users and email recipients, and compile statistics about Site usage and response rates.

Essential Cookies:

Cookie	Feature	Purpose
auth0	Single Sign On	Used to implement the Auth0 Session Layer.

auth0_compat	Single Sign On	Fallback cookie for Single Sign On on browsers that don't support the sameSite=None attribute.
auth0_mf	Multi-factor Authentication	Used to establish the trust level for a given device.
auth0-mf_compat	Multi-factor Authentication	Fallback cookie for Multi-factor Authentication on browsers that don't support the sameSite=None attribute.
did	Attack Protection	Device identification for the purposes of Attack Protection.
did_compat	Anomaly Detection	Fallback cookie for Anomaly Detection on browsers that don't support the sameSite=None attribute.

How can You “Opt Out” of Cookies?

If you prefer, you can usually choose to set your browser to remove cookies and reject cookies. If you enable a do not track (DNT) signal or otherwise configure your browser to prevent Revive from collecting cookies, You will need to reenter your username each time you visit the login page.
